

# MS. CLARA'S MINI MUSICIANS

## PARENT-CHILD CLASS DESCRIPTIONS:

### MUNCHKIN MAESTROS (4 - 18 MONTHS)

**Munchkin Maestros** will love creating their own music using shaker eggs, the triangle, rhythm sticks, and more. There is a strong emphasis on child and parent/caregiver bonding, providing a priceless way to communicate with your little one during this preverbal stage. Fine and gross motor skills are targeted, and we will experience high and low pitch, steady beat, and recognizable rhythms. [Watch class preview here.](#)

### MINI MAESTROS (1 1/2 - 2 1/2 YEARS)

**Mini Maestros** will be so proud of themselves when they learn to keep a steady beat, act out the words to many songs, and sing and dance along to the songs we create. They will even start singing the songs at home, often recalling the lyrics better than their parents! We'll explore high and low pitch using the parachute, learn about the beat with bouncing balls, and have so much fun with games such as "Tic Toc: Follow the Leader." [Watch class preview here.](#)

### MERRY MAESTROS (2 1/2 - 3 YEARS)

**Merry Maestros** classes become even more interactive, allowing the students to learn basic musical concepts through fun songs, dances, instruments, and musical games. Children will use their imagination as we go on our musical journey to the zoo, the playground, the forest, and more! We'll reinforce musical concepts learned in class with fun items including a parachute, balls, and beanbags. [Watch class preview here.](#)

### MOSAIC MAESTROS (1 - 4 YEARS)

This mixed-age music class for children between 1 and 4 years is perfect for families with 2 or more children (but is open to all children in this age range). Students will experience the joy of making music with children older and younger than themselves, allowing them to be both leaders and learners in the same class. Children can participate on their own level, ranging from a one-year-old simply enjoying shaking an egg up to a four-year-old shaking an egg to the specific rhythm of the song. Mosaic Maestros will enjoy all of the same instruments, songs, and musical activities as the more age-specific classes, but will do so in a mixed-age setting. [Watch class preview here.](#)
