

# Ms. Clara's Mini Musicians, LLC Classroom Guidelines

- ❖ Ms. Clara's Mini Musicians classes are parent/child classes. Your enthusiastic involvement in class is an important model for your child and will greatly increase your son or daughter's participation in (and enjoyment of) class.
- ❖ Food and drink is not allowed in the outdoor classroom. If your child needs to eat or drink during class, we ask that you do so in the park area, off of the bandshell platform. Due to potential allergies, this is strictly enforced.
- ❖ Please silence your cell phones during class.
- ❖ Personal toys, stuffed animals, etc., can be a strong distraction during class. Please be sure all personal items are stored safely and securely inside your bag during class.
- ❖ We will not be providing any materials / instruments to share. [Please click here](#) to view the materials list for each class level.
- ❖ Please remind your child to treat the instruments respectfully. While we are all here to have fun and enjoy making music together, it is important that safety comes first. Encourage your child to handle the instruments gently and never to throw them. And that goes for moms and dads too. No juggling shaker eggs...they're watching you! :-)
- ❖ For safety reasons, we cannot allow children to navigate away from their designated seating area during class. We understand that this may be challenging for toddlers at times, but we are very much relying on caregivers to stay vigilant about this for everyone's safety. If your child does need to get their wiggles out during class, please take them off the bandshell platform and let them toddle around in the park area for a bit.
- ❖ We are requiring masks for adults and children over two years upon entrance and exit. Once seated in your designated area, each family will be 10' away from each other and from the teacher. We are encouraging caregivers to wear their masks throughout class, and once seated, masks are optional for children.
- ❖ Should your child become disruptive at any time (crying, yelling, running, etc.), please take a moment to exit the bandshell and return once they've had the opportunity to calm their voices and bodies.
- ❖ Have fun and be silly with us!

Thank you so much for helping to create a fun, welcoming, and joyful environment for your children. Music is a wonderful gift, and your son or daughter will always be grateful for this special time together!
